

## **FINANCE and ADMINISTRATION MANAGER**

### Position Description

#### **Organizational Overview:**

The Washington Health Alliance was created to build a leadership coalition among purchasers, providers, health plans, patients and others to improve the quality of health care for our community, and to reduce the cost of this care. For a decade the work of the Alliance has focused on defining, measuring, reporting and rewarding high quality, efficient health care in Washington state and facilitating the transparency of critical information in support of this goal. The work of the Alliance is accomplished through regular meeting of and communication between multiple key stakeholders throughout the Puget Sound and larger Washington state area.

#### **Position Purpose:**

The Finance and Administration Manager is responsible for overseeing the general business functions of the office of the Washington Health Alliance to effectively and efficiently meet the operational goals of the organization. The position performs reoccurring key tasks in the functional areas of Finance and Accounting, Personnel administration and Office and Facilities management, as well as special assignments to ensure the execution of required deliverables for the office. In addition, the Finance and Administration Manager provides accurate, dependable and trusted administrative support to the Executive Director in working with the Alliance Board of Directors. The F&A Manager performs a number of other duties that assist the Executive Director and other Alliance Directors in a significant and often confidential manner.

**Reports to:** Executive Director

**Supervises:** Senior Administrative Specialist

**FTE Level:** 1.0
