

Committee meeting notes

Committee Name: Health Economics Committee

Recent Meeting Date(s): March 14, 2019

Achievements/Decisions:

- The meeting was dedicated to an open brainstorm on new reports/products that incorporate price information to produce in the future.

Issues/Risks/Concerns:

- The Alliance was encouraged to produce reports that are organized by medical group, since consumers typically choose their doctors but not their hospitals.

Upcoming Activities:

- Selected ideas from this meeting will next be discussed with the Quality Improvement Committee.
