

Committee Name: Quality Improvement Committee

Recent Meeting Date: Thursday, July 12, 2018

Achievements/Decisions:

- The QIC reviewed the entire WA State Common Measure Set and advised the Alliance on whether to keep, replace or delete each measure, for implementation in 2019.
- The QIC discussed the new WA-APCD website, including their perceptions regarding quality and pricing results and the overall functionality of the website.
- Dr. Michael Parchman, from the MacColl Center for Health Care Innovation, joined the QIC to discuss the latest research results on “Taking Action on Overuse.”

Issues/Risk/Concerns:

- Several concerns were discussed regarding the WA-APCD website; no specific follow-up action noted at this time.

Upcoming Activities:

- The next QIC meeting will be Thursday, September 13, 2018.
